Hello,

PLEASE reconsider closing anymore of the ODSVRA. Enough of the riding and camping area has already been taken away. My family has been riding and camping in the dunes for 20 years. I live in Tulare County and we come to the oceano dunes for the fresh/clean air.. There are many arguments to be made for keeping this area open and re-opening closed areas... False science, corruption, lies etc..PLEASE DONT CLOSE ANYMORE RIDING AREA!!

THANKYOU
