Subject: Save the dunes
Date: Sunday, April 15, 2018 8:34:25 PM

My name is joe ribeiro I'm writing you as a concern person that we keep the oceano dunes open for everyone to enjoy. I've been going there for 20+ years and enjoy going there with family and friends and we all enjoy good times on the beach. As a farmer I understand why the air board is trying to do but not all time they know what they are talking about. Closing the dunes or taking away more riding areas away but not adding what it's taking away only might create a bigger problem. Giving us more space to ride to the south might be a better solution than taking away and putting everyone in a smaller area. Please keep it open for family and friends to keep on going to enjoy the ocean air and to sit around a camp fire to laugh and play.
