Please do not take any more riding area away, keep the Oceano Dunes SVRA open.

I live in Clovis Ca. I use to go to the dunes all the time when I was younger. My life has took a turn and I am able to visit more often. I camp there in a trailer. I use to camp in a tent. My family 5 kids ages 2-19 love going there and making memories. My 19 year old first experienced playing in the sand and playing with sand dollars.

Now I see my 2 year old doing the same 17 years later.

Pleas look at all the fact before closing more of the Dunes down.

Thank you for your time.
