**Subject:** [EXT]APCD hearing

ATTENTION: This email originated from outside the County's network. Use caution when opening attachments or links.

Please do not let State Parks off the hook. They have not achieved 50% reduction in dust emissions. Far from it. This is just their continuous attempt to evade the stipulated agreement. We are still having too many days of unhealthy air quality.

Please hold them to the task they were assigned. We can't afford to have anymore cardiac problems, asthma or deaths from the dunes.

Thank you,

James and Louise Easton

Nipomo
