Subject: Stop Pismo Beach Closure
Date: Tuesday, March 20, 2018 8:07:58 PM

To whom it may concern,

We are second generation family that have been attending Pismo beach for over 46 years! Every year in August we plan our big family vacation. Our family enjoys getting together and spending quality time with each other while others enjoy riding there quads in the dunes. We look forward to our big family vacation in August because it's the only thing affordable that all our family can attend and meet new people from around the world. Our family not only goes in August but loves to enjoy to take a 3 hour drive for a quick getaway weekend trip and shop and eat from great restaurants in Pismo beach. We love this community and would not like to see it close or become a ghost town. This would sadden our family because we will be left to go no where to go camp and my kids will be left with no where to ride there quads and cherished family members that we have built through out the years.

Thank you for taking your time and reading our letter.
