Subject: Oceano Dunes SVRA - KEEP OUR LAST OCEAN FRONT DUNES OPEN FOR MY FRIENDS AND FAMILY -
Date: Monday, March 19, 2018 8:54:35 PM

Hello,

Please keep our riding area open for everyone! It is a really magical place to camp and ride like no other. It is part of our lifestyle that we work hard for. In addition, help us open up more dunes that were previously closed and look at options of creating another entrance to the dunes. Pismo Beach can further benefit financially with the right resources and additional riding and camping area.

Dust blows everywhere there is sand. It's part of nature. A 15 inch wheel won't do much in terms of kicking up sand, travel downwind while gaining altitude (to clear the trees and bushes), then finally, entering homes. Doesn't that sound silly? Let's get the facts straight and the truth out. ATV's, vehicles, and UTV's do not cause sand storms. Wind does! That is mother nature. Don't punish my friends and family for something at no fault to us.

PLEASE KEEP THE DUNES OPEN AND OPEN UP MORE RIDING AREA.
