**Subject:** Oceano Dunes Recreation Area  
**Date:** Friday, March 16, 2018 3:20:35 PM

---

Good day,

I am a member of CA4WDA and CORVA

I understand the subject area is being considered to be reduced in size or altogether shut off from vehicle activity/camping.

I have been going here for many years with my family. It would be a travesty if this one of few places were no longer accessible to my family and friends. We always are responsible with our vehicles and respect all areas that are already closed off.

Please consider not allowing the San Luis Obispo County Air Pollution Control District reduce our area of outdoor recreation,

Sincerely,

**Robert A. Matson**
