Subject: Oceano Dunes
Date: Tuesday, March 20, 2018 11:32:09 PM

Without evidence and research- shutting down more OHV riding is irresponsible and self serving. Please consider how much healthy recreation the dunes provides for families that are constantly stuck in a world of electronics. The OHV loving public needs and deserves MORE acreage- not less. Also, the revenue generated for the local area is life giving. Some of us live for this sport. Thank you your time.
