Subject: Keep Oceano Dunes Open
Date: Monday, March 19, 2018 7:05:29 PM

To whom it may concern,

Oceano dunes is a huge part of a lot of families lives including my own. I have done every big holiday on the dunes since I can remember. Now that I have a family of my own I want my son to have a place to call relaxation land as I have my whole life. It's the one place our family and friends from all across California can meet up in one spot and enjoy ourselves for 4 or 5 days.

You're going to shut down a lot of family vacations since it's the one unique spot to be relaxed and be together for a few days.
