To Whom It May Concern:

Camping and off-roading at the dunes is a beloved tradition in our family. We love the area and love bringing all our family and friends here to relax, enjoy the beach, play in the dunes, play in the sand, and explore and experience the town. Please don't take that away. If you must cordon off areas of riding, please open the same acreage elsewhere. SO much riding area has already been diminished over the last 30 years. By fencing off areas, and not opening the same acreage elsewhere, you are confining a lot of people to a little space. It becomes a safety concern as well. Please consider the millions of people who visit annually. Don't take this beloved tradition away. Don't take extra revenue for the town away.

Sincerely,  
Stephanie Maertens
