## To whom it may concern:

**I would love to attend these meeting in person but my family and I live in the central valley and work here. I can't make the drive for a meeting. My family, all 6 of us come to Pismo and stay at the beach for 10 days twice a year. We come with about 10-15 friends each trip. This is our family vacation destination and has been for the past 7 years. I want the opportunity to continue this tradition. All of us especially my 2 sons look forward to this trip twice a year. Yes we love to ride in the dunes but we also support many local businesses while we are there. I am very upset with the constant closing of areas. If you are going to take an area a new one needs to be opened. Making the area smaller is giving less riding space and making more dangerous to ride in congested areas. I want my children to be able to continue making great memories of camping, riding, camp fires etc. Where else can you wake up and put your toes in the sand. The Oceano dunes is a beautiful area and is the only off road beach in California please don't take this away from us.**

**Thank you for you time,**
