About Tiso Blackstar

Tiso Blackstar provides investors with exposure to a unique combination of investments which are well positioned for long term growth on the African continent.

Investors are backing a proven management team with a consistent track record of returns, the ability to originate investment opportunities and a wealth of operational experience across the continent. Tiso Blackstar will be a capital partner of choice to African business providing strategic insight and

operational experience to support their own growth initiatives. Tiso Blackstar is focused on achieving sustainable long term growth and value creation for the shareholders.

Tiso Blackstar intends to hold the vast majority of its value in a minimum number of large investments (4 to 6) where it has majority control to influence strategy and growth and where its shareholders will have complete transparency on underlying investee's earnings. Tiso Blackstar will develop and grow its underlying investments organically and with bolt on value enhancing acquisitions.
