Temporary suspension of trading in advance of completion of migration

The Company has requested a temporary suspension of trading in its shares on AIM and the JSE to take effect from Tuesday 27 June 2017 in advance of the completion of its migration from Malta to the UK, in order to facilitate the timely disablement of its Depositary Receipts and other settlement arrangements. The only remaining condition to the migration is the registration of the company in the UK by Companies House, and this is expected during the course of this week. Following re-registration it is expected that the suspension will be lifted and the shares will be re-admitted to AIM with the new ISIN on the following business day.
