

Churches Together in Oxfordshire

Do you and your church share our:

- ... enthusiasm for inter-church work?
- desire to pass the faith on to the next generation?
- belief that we are agents of Christ's reconciliation in the world?

Do you and your Church want to :

- ... share ideas and experiences?
- hear about national and international developments?
- explore how the Church could be shaped for the future?

Do you and your church :

- ... enjoy meeting others involved in local ecumenical life?
- search for resources to help you in your ministry?
- value worshipping in new ways?
- interact with Christians from other traditions?

If so, then these are hopes, desires, and passions shared and held in common with Churches Together in Oxfordshire.

We are keen to hear about all aspects of your ministry, especially the work that you and your church undertake in partnership with others, and the ways in which you serve the communities in which God has placed you. This will help us to build a stronger picture of all that churches are doing together and enable us to serve you better and pray for your work and ministry more purposefully. If there are ways in which we might be able to support and encourage you, do let us know.
