6. All points recorded in a breed class are based on actual number of junior class cattle that enter the showing regardless if they are point show members or not. The points exhibitors receive will be based on their actual placing in the junior show.
7. Breeds have to be indicated on mandatory results sheet. When entries are taken, exhibitor must indicate to what breed they want their points allocated.
8. Official show results must be sent back to Audra Scheel within **14 days** following the show. Results must be turned in on the sample result sheet or similar format. **Please do not calculate the points.**

10. Youth are to check with each individual fair for specific arrival and release times and dates.
11. Youth need to fill out and returned membership forms to Audra Scheel along with their dues. **Please do not collect money for SDJPSA registration.** Ask all exhibitors to mail

completed entry form and \$10 fee to Audra

12. Entries will be accepted anytime throughout the showing year. There will be a **10 day** grace period after each show in which individuals can get entry forms in so points from that show will be counted.
