They are also a wonderful way to gently introduce friends or family who may be new to working with angels and Spirit. ## ❧ PARTY THEMES ❧

Some people like to choose a theme for their party, such as

- |                              |                           |
|------------------------------|---------------------------|

| - Connect with Loved Ones    | - Healing with the Angels |
| - How to Talk to Your Angels | - Angel Card Adventure    |
| - Magic with Mermaids        | - Archangel Healing       |
| - Fun with Faeries           | - Divine Deva & Unicorns  |
| - Spirit Animal Soirée       | - Goddess Gathering       |

Please confirm your theme ideas with Andrea prior to your party so she can properly prepare.

## ❧ PARTY PREPARATION ❧

Guests are advised to dress comfortably and in layers, as some people experience big temperature shifts (either hot or cold) when doing energy work. Having comfortable chairs/sofas, water, and tissues on hand is also recommended.

Some people ask their guests to bring questions with them to ask the angels. And some people like to just show up and leave the contents up to the angels. Do whatever feels best and is easiest for you and your guests.

## ❧ PARTY FOOD & DRINK ❧

Please note that water or tea are the only beverages offered at either spa location.

If you choose to host the party at your house, you are welcome to snack if you'd like. However, indulging in alcoholic beverages is not recommended, as they tend to interfere with guests' abilities to receive messages from their angels and loved ones.
