

In keeping with our mission statement, ECJF gives a limited number of full or partial, need-based scholarships each year to allow young men and women who otherwise would not have the opportunity to participate in junior football or cheer. These scholarships cover all or part of the cost of participation in ECJF or cheer and include the keepsake uniform.

As a condition of the scholarship, the parent/guardian of the participant is required to perform 10 hours of volunteer service to ECJF. Scholarship recipients are still required to submit an equipment deposit, which will be destroyed when the equipment is returned at the end of the season.

We do request that you only apply for the scholarship amount that you truly need. This allows us to use our limited scholarship funds to serve the most members of our community. If you would like to apply for a full or partial scholarship for your son/daughter, please complete the information below and scan/email to scholarship@eastsidejuniorfootball.org, or mail to the following address:
