November 2015

*A Note from Coach Bill Carr...*

*The holiday season is now beginning as we enter the months of November and December. Decorations, music, stores with their holiday specials, and a variety of celebrations all serve to remind us that this season of the year is like no other. It has become noted as "The Season of Giving".*

*In 2 Corinthians 9:6-15 the Apostle Paul paints for us a word picture that is intended to remind us (those who claim to be Followers of Jesus) of how God's people are to live and the attitude they are to display on a daily basis. The key word is "generosity." The giving of yourself to God and to others through all the means you have received from God. To do so is to join Him in His work of renewing people and this world to Himself. We have received God's great gift of love, John 3:16, that we might share His love to others. This is the true Thanksgiving. May we live each day in Thanksgiving.*
