

A photograph of two firefighters in full protective gear, including helmets and air tanks, standing with their backs to the camera. They are positioned in front of a large, intense fire that is consuming a building with a corrugated metal roof. The fire is bright orange and yellow, with thick smoke rising. The scene is set outdoors, with some bare trees visible in the background.

April 10 – 12, 2015

Jackson Purchase Firefighters Association

Welcome to the Jackson Purchase Firefighters Association 2015 Annual Fire School

Welcome to the 2015 Jackson Purchase Annual Fire School. We are very excited to be hosting this school again this year at the beautiful Paducah-McCracken County Convention Center in Paducah. This facility is strategically located and adequately designed to provide the perfect opportunity for our students to spend the weekend with us, learn new ideas and techniques from the instructors, and take what you have learned back to your department or agency to be shared with your fellow responders.

There have been many hours of work involved in bringing you the best classes and instructors available. We strive to provide as high a caliber of instruction as is available anywhere. Of course, the Jackson Purchase School would not be possible without your attendance and we thank you for being a part of the 2015 school.

The JPFA Annual Fire School is a great success because so many people come together to ensure its success. Thanks to our students, instructors, support staff, vendors, organizations, agencies, and corporate sponsors for your contributions to the 2015 school.

Once you have completed your class, we ask that you please take the time to complete a class evaluation. These are reviewed following the school by the school committee and the information we gather helps us know what changes need to be made to make future schools better, so please take the time to complete the form.

Be sure to stop by our vendors' area located in the Expo Center and spend some time visiting them and seeing the wide range of emergency response equipment and accessories they have to offer. The vendors' area will be open during lunch and breaks Saturday and Sunday as well as Saturday evening until 7:00 pm.

Respectfully,

Jackson Purchase Firefighters Association Board

Jackson Purchase Firefighters Association

E001 EMT Refresher **Saturday & Sunday** **16 hours**

This class will provide the EMT with 16 hours of the 24 hours required by the Kentucky Board of Emergency Medical Services.

Airway (P0008- 2Hours) Patient Assessment (P0009- 4Hours) Medical (P0010- 4Hours) Trauma (P011- 4 Hours) OB/GYN/ITC (P0012-2Hours)

Instructors: Area 1 State Fire Rescue Training

F001 Wildland Firefighting Awareness **Friday Night** **4 hours**

This 4-hour course is required for certification since 2001. It is based off of the forestry fighting classes S130 and S190 courses but takes into account specific information pertaining to Kentucky.

FC3000

Instructors: Area1 State Fire Rescue Training

F002 CPR /AED First Aid Training **Saturday** **8 Hours**

This class will cover basic skills for Respiratory, Cardiac, and injuries to muscle bone and joints. These are also required for firefighter certification by the Kentucky Fire Commission.

P0001- 4Hours P0021- 4Hours

Instructors: Area 1 State Fire Rescue Training

F003 KY Flashover and Recognition & Survival **Saturday** **8 Hours**

Turnout Gear and SCBA Required

This course is designed to provide the fire service with safe and secure method of flashover training. Firefighters are taught to recognize the signs of flashover, and provide techniques of possibly escaping impending flashover, with the goal of saving firefighters from injury or death.

FC4000

Instructors: Area 3 State Fire Rescue Training

**F004 Building Construction
National Fire Academy Course**

Saturday & Sunday 16 Hours

This course will introduce the candidate to basic building construction as it relates to the firefighting profession. Fire officers improve their ability to ensure firefighter safety by recognizing common causes, indicators of failure and hazards related to building construction.

V0000

Instructor: John Vessels Retired Assistant Chief of Owensboro Fire Department

**F005 Structural Strategies and Tactics
for Small Cities and Rural Fire Departments**

Saturday & Sunday 12 Hours

This course will cover the Strategies and Tactics necessary to successfully attack and extinguish various types of structure or building fires encountered by firefighters in suburban, small city, or rural fire departments. The course will include a brief review of the Incident Management System, the 13-point size-up considerations, and IMS Tactical Priorities.

AA0000

Instructor: Nick Morgan

He is a Captian with the St. Louis, Missouri Fire Department and has 30 years of fire service experience including volunteer, military and career fire departments.

F006 Rope Rescue: Low Angle

Saturday & Sunday 16 Hours

**Leather Gloves, Boots with ankle support, Long pants, Eye Protection and
Helmet Required**

This class will allow the student to learn knots and rope systems. Over the two day period, the participant will learn how to implement ropes and safety systems to make retrieval from steep embankments safely.

Q0007

Instructors: Captain Jody Burton and Paducah Fire Department

FC013 Meth Labs – A Firefighter’s Nightmare Saturday or Sunday 8 Hours

This class provides a survey of clandestine methamphetamine manufacturing, beginning with an overview of methamphetamine production and trafficking. The hazards of responding to methamphetamine labs, including environmental contamination, potential explosions and personal exposure are highlighted. Also covered are indicators of a clandestine laboratory, items and equipment utilized, and the ephedrine/ammonia, or “Nazi”, method of manufacturing methamphetamine. This class will explore how cooperation between law enforcement, EMS, fire and rescue agencies will improve the safety and effectiveness of your response to a meth lab incident.

T0002

Instructors: Jerry Aders Chief of Greenville Fire Department
Ricky King Chief of Central City Fire Department

These instructors bring over 65 years of combined Law enforcement and firefighting experience.

F014 Basic Firefighter

Friday, Saturday, and Sunday

This class will cover the recommended subjects set forth by the Kentucky Fire Commission for new firefighters before they begin to do emergency response.

20 Hours

A0000 - Admin 2 hours

D0000 - Fire Behavior 1 hour

F0000 - PPE 3 hours

H0000 - Ventilation 1hour

J0000 - Ladders 2 hours

K0000 - Hoses & Appliances 2 hours

B0000 - Safety 2 hours

E0000 - Fire Extinguishers 1 hour

G0000 - Forcible entry 1 hour

I0000 - Ropes 1 hour

CC0000 - Drivers Training (POV) 1 hour

Students must Bring Turn Out Gear and SCBA

Instructors: Calloway County Fire & Rescue
