

Our Mission

The Tomorrow Fund provides financial and emotional support to children with cancer, and their families, who are treated at Hasbro Children's Hospital. We work to increase public awareness of childhood cancer and we promote research to improve the care and well-being of children with cancer.

Xavier, now 13 years old, and his family would not have been able to get through the past 3½ years without the support of The Tomorrow Fund.

Xavier

We can't say how kids with cancer will grow up... We just want to make sure they do!

You can make a difference in the life of children with cancer. Your donations are tax deductible.

Spring 2012. A vibrant, precocious 10 year old boy is seen by Dr. Chawla in The Tomorrow Fund Clinic at Hasbro Children's Hospital. He has been having difficulty walking and is in a lot of pain. Dr. Chawla is concerned that his symptoms may be caused by underlying malignancy. Xavier undergoes a full work-up and, unfortunately, is diagnosed with stage IV neuroblastoma.

Xavier spends much of the next 15 months in The Tomorrow Fund Clinic and on the inpatient units at Hasbro Children's Hospital and Children's Hospital of Boston. He endures intensive treatment designed to specifically target his high-risk disease, which includes multi-agent chemotherapy, surgical resection of the primary tumor, autologous stem cell transplant, radiation therapy, and immunotherapy. During this time, Xavier receives home-based tutoring, as he is not able to attend school. Xavier's mother, Lisa, is unable to work due to Xavier's medical needs and is by his side throughout his treatment.

Xavier completes his initial treatment in the summer of 2013. He excitedly returns to school and his family's routine begins to get

back to normal. Unfortunately, Xavier's remission is short-lived. His cancer returns 5 months later.

In order to receive the most intensive treatment available for relapsed metastatic neuroblastoma, Xavier and his mom must travel to Memorial Sloan Cancer Center in New York City. Xavier spends much of the next 24 months traveling back and forth to New York in order to participate in a clinical trial, in which he receives additional radiation, chemotherapy, and immunotherapy treatments.

Xavier, now 13 years old, and his family would not have been able to get through the past 3½ years without the support of The Tomorrow Fund. In addition to the emotional support provided by The Tomorrow Fund's parent consultant, child life specialist, and clinical social worker, Xavier's family receives much needed financial support. The Tomorrow Fund provides Xavier's family with a travel stipend of \$50/per day for each trip to New York, which helps pay for their transportation, lodging, and meals. The Tomorrow Fund also provides Xavier's family with free parking and a daily stipend of \$15 for all admissions to Hasbro.

2015 Fantasy Ball

The Tomorrow Fund's "A Night to Remember" was celebrated at our Annual Fantasy Ball, our largest and most critical internal fundraising event of the year. Friends, families and supporters all came together for a night of dining, dancing, celebration and fundraising.

Hosted by Honorary Chairs Robert & Kim Markarian, Co-Chairs Richard & Sabrina Campanella and Drs. William Cioffi & Theresa Graves, the event was a great success due to the generosity of corporate and individual partners donating sponsorships and auction merchandise. The silent auction was coordinated by Auction Chairs Heather Zinni and Melanie Panarello.

We would like to thank the 41 sponsors and all the volunteers whose support was invaluable to the success of our celebration.

What Happens When Your Child Gets Cancer?

What does The Tomorrow Fund do when your child gets cancer?

Assist with payment for utilities, mortgages, rents, insurance, co-pays for medicine, etc.

Parking Pass

Hospital parking passes are provided for each family to use throughout the entire length of treatment.

In-House Stipends

\$15 per day is provided to families whenever their child is hospitalized overnight at Hasbro Children's Hospital. Because parents typically stay with their children in the hospital, Stipends are used for meals at the hospital cafeteria, babysitting and transportation. Expenses mount quickly and can easily overwhelm a family, especially those who are already struggling to get by.

Travel Stipend

\$50 per day is provided to families whose children must travel outside of Rhode Island for life saving bone marrow transplants, stem cell transplants and associated protocols. Out of state hospitalization can last a minimum of 30 days, to a typical 100 days, to even more time if there are complications.

DISBELIEF –

This can't be happening to my child.
How can this be – it's not fair that my child is sick – we're good people – we don't deserve this. Your family life has just become a shambles as you try to go through the motions of everyday life. You know what the test results said, but they have to be wrong. What did the doctor, nurse say? What are they going to do to my child? What do you mean "Chemo" – that just can't be right . . . *Why is this happening to my child?*

PANIC –

What do we do now?
There are steps to take, but there are no arrows pointing the way. Your family has questions, your child has questions and the answers are out of reach. You just feel numb. There is no control in what is happening to your child. How are we going to cope with all this by ourselves? What about my job? What about the expenses? What about the rest of the family? And then there is . . . *What do we do now?*

CONFUSION –

Who can I talk to?
There just has to be someone with answers, someone who can explain what is happening. We can't spend our days running in circles with no end in sight. We need help to sort these things out for us – help to make sense of the disaster that has befallen our precious child . . . *Who can I talk to?*

TREATMENT –

Where do we go?
Where do we take our child for help? Is there a place just for kids with cancer in RI? What about the treatment schedule, doctors and nurses to meet with, medicines to give? Who are the doctors that I'm entrusting my child's life to? Will the nurses be there when I can't be because of my job or extended family needs? . . . *Where do we go?*

SUDDENLY IT HITS . . .

We are never ever ready when bad things happen, especially to our children.

The Tomorrow Fund is there to provide the monetary and emotional support that is needed when cancer happens to your child.

Our Mission

The Tomorrow Fund is the only independent, non-profit organization based in Rhode Island, providing a comprehensive program of daily, continuing financial and emotional support to children with cancer, survivors, and their families, treated at Hasbro Children's Hospital and diligently striving to ensure access to the highest level of care, while promoting public awareness of childhood cancer.

- Every day, 43 children are diagnosed with cancer in the United States.
- 1 out of 8 of these children will not survive.
- Each year, 40,000 children in the US are in cancer treatment.
- In the last 20 years, only 2 cancer medications have been specifically developed for children.

FOR THESE REASONS – THE TOMORROW FUND MUST CONTINUE TO EXIST.

Thank you for supporting our mission to provide daily financial and emotional support to children with cancer and their families at Hasbro Children's Hospital.

"We can't say how kids with cancer will grow up...We just want to make sure they do!"

Here's What WE Do...

Camp Dotty

Camp Dotty

CAMP DOTTY

Camp Dotty, a day camp for 4-7 year old children with cancer and their siblings, was created to provide a camp experience for young children while recognizing their individual needs as they deal with cancer. The camp helps to create a transition for those children not old enough to attend an overnight camp while simply and importantly giving parents a much needed break. Last year, for the 14th consecutive year, more than 30 children with cancer and their siblings had a respite from their usual hospital routine. They enjoyed a full week of crafts, games, field trips and summertime fun at Camp.

Quinn Rothschild, a former TTF kid diagnosed with cancer in 2012, spent the fall of 2015 doing his Mitzvah Project for his upcoming Bar Mitzvah. Quinn wanted to give back to The Tomorrow Fund, who helped him and his family in their time of need. He decided to collect hats for Tomorrow Fund kids and sold Tomorrow Fund bracelets. Quinn collected over 500 hats by contacting athletic departments at local universities and asking his guests at his January Bar Mitzvah to consider donating a new hat. Quinn was grateful for the outpouring of hat donations he received, especially from the Paw Sox and local universities: Providence College, Johnson and Wales University, University of Rhode Island, and Roger Williams University. Quinn even received an invitation to a Johnson and Wales basketball game to accept their large donation. Quinn has been energized by these efforts and hopes to continue to help The Tomorrow Fund in the future.

RAVE REVIEWS

Thank you very much for the very generous scholarship. It was a great help in reducing my expenses. I will always remember my experiences with The Tomorrow Fund Clinic and all the people who are part of this organization. I hope someday I am able to give back to this great organization. Thank you again!

~ Ryan Durney

I wanted to thank The Tomorrow Fund for everything they did for me. I am alive today because of them. TTF gave me a second chance to live my life and you will always have a place in my heart, you will never be forgotten.

~ David Pelletier

Thank you so much for the scholarship, I really appreciate this opportunity and am very grateful. I cannot thank you enough for everything The Tomorrow Fund has done for me, including giving me this scholarship.

~ Megan Howard

Thanks should be passed on to The Tomorrow Fund for holding such an amazing event year after year. This was my second time attending the Fantasy Ball and it is unlike any other event we have ever been to. We love TTF and we love how much heart goes into the creation of the ball.

~ Kara Matook

Thank you so much for your continued generosity and donation to my college career. Without the amazing people at The Tomorrow Fund, I wouldn't be able to say, "What an amazing first year at Mass Art I just had!" I wouldn't be here at all and that's something I can never truly repay. It will forever humble me.

~ Nick Palumbo

It would have been so hard for Cameron to go through treatments if it hadn't been for The Tomorrow Fund Playroom in the Clinic. It got to the point where he didn't mind going for treatments because he knew he would get to play in the playroom.

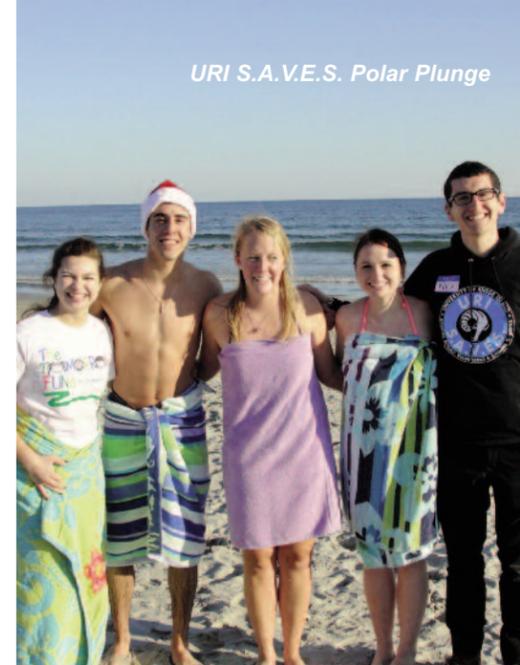

~ Tammy White

We will always be forever grateful to The Tomorrow Fund and all of the amazing people who helped our family through Alex's Leukemia treatment.

~ Lynn Falzone

I will never forget what The Tomorrow Fund did for my family. Zachary survives in our hearts, as does your kindness.
