

## Flavour Guide

1. Choose a cake flavour.
2. Choose filling flavours:
  - a. For BUTTERCREAM covered cakes – choose up to TWO specialty filling and/or buttercream filling flavours. Note: Specialty fillings and buttercream with real cream cheese will include an extra charge above the quoted price.
  - b. For FONDANT covered cakes – choose up to TWO specialty filling and/or buttercream filling flavours. Note: Not all fillings are suitable under fondant cakes (see page 2). Suitable specialty fillings will include an extra charge above the quoted price.
3. Choose a frosting flavour:
  - a. For BUTTERCREAM covered cakes – cakes are typically frosted in white buttercream so that a colour of your choice can be added. Clear vanilla, natural flavours, or artificial oil flavourings may be added to the frosting. Chocolate buttercream may be used for a brown cake, and strawberry or raspberry buttercream may be used for a pink cake.
  - b. For FONDANT covered cakes – cakes are usually covered in ganache and vanilla flavoured fondant. Choose either chocolate or white chocolate ganache.

Shannon's SugarHigh is constantly testing new recipes and adding new irresistible flavours! Don't see something that you want? Just ask! There are also countless high-quality artificial oil flavourings that can be added to cakes and buttercreams; including, but not limited to, key lime, amaretto, eggnog, rootbeer, butter rum, butterscotch, English toffee, licorice, variety of fruits, tropical punch, tutti frutti, etc.
