FROM THE PASTOR'S DESK...

Dear Friends,

I do hope you all had a happy time with your families for Christmas dinner. But it takes more than a festive Christmas dinner for many families to really have a great time with each other. Bringing a family together requires the patience to listen, the selflessness to forgive, the commitment to heal and mend. To be a family is to seek out and bring back whoever is lost, to look beyond behavior to understand what is prompting such anger, bitterness or disaffection, to put aside one's own expectations to respect another's perspective.

It may come as a surprise to many of us to hear that the Holy Family of Joseph, Mary and Jesus – whose feast we celebrate today - understood all too well the struggles and challenges of staying together as a family in their time and place because theirs was not an ideal family without any problem as we have been brought up to believe! They too had their share of challenges of communication between spouses and between parents and the teenage Jesus. Gospel vignettes give us inklings to their struggles: Matthew, the Evangelist, says: "Rise, take the child and his mother, flee to Egypt, and stay there until I tell you." (Matthew 2: 13-15, 19-23). Why? They had to escape Herod's murderous wrath. As is clear from the infancy narratives (from Luke and Matthew), Jesus, Mary and Joseph as a family experienced heartache, fear, misunderstanding and doubt, but together they created a family of love and compassion, of nurture and acceptance. That's how the Holy Family becomes a model for us to deal with our own family's challenges.

One easy way to make every family member feel accepted and loved is to express words of appreciation. I don't mean simply saying "you look great" or "you did wonderful." Instead, think of some way each member is contributing to your happiness. Say, for instance, "Oh Brad, when I see you playing with your sister I feel so happy and grateful that you and your sister are enjoying each other." "I wanted to tell you Erin, how much I enjoyed the funny stories you say at the dinner table!" Even if you think it is difficult, take a moment to think about what this person brings to your life that you wouldn't have without him or her. It may be joy, laughter, spontaneity, support, fun, play, peace, etc.

Happy Feast of the Holy Family! We raise up all parents and children in prayer, especially those who experience the pain of separation and single parent families who heroically face the challenges of life. May this New Year bring you and your family more unity, love and peace!

Your brother in Christ,
Fr. Abraham Orapankal

FEAST OF OUR PARISH PATRON IS NEXT WEEK!

Though the feast of St. John Neumann is eclipsed by the Feast of Epiphany, it is good for us to give some thought to his life and legacy. Look out for more info in our bulletin next Sunday on his missionary life in NY/NJ/Philly region. In the meanwhile, here's a nice quote from him that is wonderful for us to reflect on: "God sees every one of us; He creates every soul, for a purpose. He needs every one of us. He has an end for each of us; we are all equal in His sight, and we are placed in our different ranks and stations, not to get what we can out of them for ourselves, but to labor in them for Him. As Christ has worked, we too have but to labor in them for Him. As Christ has His work, we too have ours; as He rejoiced to do his work, we must rejoice in ours also." St. John Neumann

TOP O' THE BARN

We would, once again like to thank the Top o' the Barn for their very generous donation of \$2,000 to the St. John's Social Ministry. Without them so many things we do wouldn't be possible. Please remember that they take donations of clothes and other household items and you never know what treasure you might find there to treat yourself. They are located next to the Califon United Methodist Church at 15 Raritan River Road.

BISHOP'S ANNUAL APPEAL BLESSING

The *Office of Family Life* empowers families to accept and embrace Catholic values by courageously modeling those values for society by the joyful acceptance of cultural diversity, the compassionate outpouring of love for those who are hurting or in need and for the ongoing affirmation of the dignity of all human life.

To date the Diocese has received pledges or payments totaling \$25,068 from 75 families which represents 64.9% of our \$38,600 goal.

FEAST OF THE HOLY FAMILY

December 27, 2015

“See what love the Father has given us that we should be called children of God; and so we are.” (1 JOHN 3:1)

During this season of giving, let us remember the most important gift we have received – being children of God. As God’s children, it’s important that we express our love for others as well. Tell your spouse, children and other family member and friends that you love them, frequently.

CONGRATULATIONS

Congratulations to the Simila Family on the Baptism of Grayson James Simila on Dec. 13th at the 10:30 Mass!

BECOMING CATHOLIC...

Mark Schenck is one of our catechumen who was welcomed into the RCIA process through the Rite of Acceptance on Dec 19. Here he shares what prompted him to want to join the catholic faith. Please keep him in your prayers.

When Father Abraham asked me why I wanted to join the Church many thoughts came to mind. I quickly realized it was not one reason but many. Also the reasons have changed the more I learned.

Beth, my fiancé, is the one that really introduced me to the Church and to Jesus. It was such an important part of her life that I did not know much about. To be closer to her I started to come to Mass and listened to what was being said.

I certainly had my “idea” of what going to Mass every week would be like, and the truth is I was not very excited about it. As I continued to attend and started to meet the other parishioners I realized St. Johns was not the church that I had envisioned. The fellowship, sense of community and family was not what I expected to experience. I am overwhelmed how everyone here has welcomed and embraced me as one of their own.

I was surprised as anyone to find myself alone in my car with the radio off saying a prayer out loud for my children’s safety and wellbeing. It was something I never did before or considered to be worthwhile.

Coming to the Church, learning about Jesus and listening to his words has made me a better person. I never thought it would happen, but I am thrilled to be part of St Johns.

HOW WELL DO YOU KNOW JESUS?

If there is one person we should each get to know in a deeply personal way, it is Jesus. And the best time to get to know Jesus is right now. At all Christmas Masses, all families present were gifted Matthew Kelly’s new book, *Rediscover Jesus*. Matthew Kelly, America’s best-selling Catholic author and internationally acclaimed speaker, takes you on a 40-day spiritual journey to encounter Jesus—the amazing friend who is going to help you answer life’s tough questions. If you were away and did not receive your copy or are new to the parish, please see one of the greeters/ministers at Mass).

With Christmas Blessings from The Catholic Community of St. John Neumann

DEDECORATING

We will be dedecorating the Church on Tuesday, January 12th , starting at 6:00 p.m. If you can help please sign up in the Narthex or just show up. If this time doesn’t work for you contact the office and we can arrange for your help at a time that is convenient for you.

FAMILY IS THE “DOMESTIC CHURCH”

The Feast of the Holy Family is not just about the Holy Family, but about our own families too. The main purpose of the Feast is to present the Holy Family as the model for all Christian families, and for domestic life in general. Our family life becomes sanctified when we live the life of the Church within our homes. This is called the "domestic church" or the "church in miniature." St. John Chrysostom urged all Christians to make each home a "family church," and in doing so, we sanctify the family unit. It is wonderful to see many of our families already living out this ideal of being the Church in the family by making Christ the center of family and individual life. We all can do more to live this model with these suggestions: reading scripture regularly, praying daily, attending Mass at least on Sundays and Holy Days of Obligation, imitating the actions of the Holy Family, and so forth, all done together as a family unit..

ARE YOU GIVING UP ON NEW YEAR RESOLUTIONS..??

If you are one among 8% of Americans who stick to their New Year Resolutions (according to research from the University of Scranton), you may be tempted to give up on making any for this year. But wait... there is hope if only we are willing to change the way we think.

The concept of "akrasia" will explain why we fail. Even Socrates, who lived some 400 years before Christ, investigated this human enigma which is the paradox of wanting to do something beneficial, but failing to do it. We fail because the benefits are delayed and we're impatient. You want to exercise, but the results aren't immediate, so you tell yourself you'll start later. Akrasia is why we procrastinate, and it's directly tied to why we need to change the way we think. If you want to run a marathon, you don't begin training by running 26.2 miles. You get your body used to running shorter distances and work your way up. Hence the key to accomplishing any goal is to focus on manageable tasks instead of the grand outcome.

Past failures can be used as stepping stones to learn, growth and success. So, give yourself another chance this New Year! Make a practical resolution you can keep! And daily ask the help of the New-Born King to keep that one resolution!

THANK YOU FOR THE PRAYER & CARD TO YOUR ADVENT FAMILY!

How nice that so many of you have brought a card for the family you prayed for during Advent! It seems to have been a happy experience for all, from what many are saying, to pray for another family of our parish. Some expressed the desire to meet with the family they have been praying for. It simply means there is that desire to know and be in fellowship with others of our family. Thank you for all who participated. In case you have not brought the card, the family will still be delighted to know who prayed for them; so you can still bring the card!

SUNDAY REFLECTION: The Bandage Changer

And the Word became flesh and lived among us . . . John 1: 1-18

A rabbi prayed to the great prophet Elijah. "Where," the rabbi asked, "shall I find the Messiah?" "At the gate of the city," the prophet replied. "But how shall I recognize him?"

"He sits among the lepers." "Among the lepers!" the rabbi cried. "What is he doing there?"

"He changes their bandages," Elijah replied. "He changes their bandages, one by one."

That is the true mystery of Christmas: that God became one of us, lived among us and came to birth through our moments of joy, grief, despair, anger and fear. Here, in the Christ Child, the sacred is not some abstract concept of theological theory: the love of God takes on a human face, the Word of God becomes "enfleshed" in the child Jesus, enabling us to transform our hearts in that love and re-create our world in that Word of justice and compassion. Our God knows that our lives are filled with disappointment, pain and despair; he has lived through the storms and crises we all live through; he has given us hope in our world by promising us life in his world. The challenge of Christmas is to continue to make that love incarnate in our own lives and in the lives of those we love.

MERCY QUOTE OF POPE FRANCIS

God's mercy can make even the driest land become a garden, can restore life to dry bones (cf. Ez 37:1-14). ... Let us be renewed by God's mercy, let us be loved by Jesus, let us enable the power of his love to transform our lives too; and let us become agents of this mercy, channels through which God can water the earth, protect all creation and make justice and peace flourish.

RETROUVAILLE – A LIFELINE FOR TROUBLED MARRIAGES

Has your marriage become unloving or uncaring? Has your relationship grown cold, distant? Are you thinking about a separation or divorce? Are you already separated/divorced but (both of you) wish to try again? Then the Retrouvaille program can help you.

Retrouvaille (Rediscovery) sponsored by the Family Life Office of the Diocese of Metuchen consists of a weekend experience for couples (no group discussions) with six follow-up sessions.

The next program begins the weekend of February 5-7, 2016. All inquiries are confidential. For further information please call the Family Life office (days) 732-562-1990x1705; Rich & Annette Colasuonno 732-236-0671 (evenings), or Tom & Pat McTague 732-583-4468 (evenings).

SMILE WITH YOUR FAMILY

The Smiths were proud of their family tradition. Their ancestors had come to America on the Mayflower and their descendants included senators and Wall Street wizards. They decided to compile a family history, a legacy for their children and grandchildren. They hired a fine author. Only one problem arose, how to handle great-uncle George, the criminal, who was executed in the electric chair. The author said he could handle the story tactfully. The book appeared. It said, "*Great-uncle George occupied a chair of applied electronics at an important government institution, was attached to his position by the strongest of ties, and his death came as a great shock.*"
