June 24, 2016

With so many good songs about this month (or events associated with it: weddings, Flag Day, Fathers Day, picnics, etc.), our next Friday sing along theme on June 24th at 5:15 p.m. in the Fireside Lounge is about just that: "The Month of June". Join us for musical fun!

Have you got talent? We know the staff and residents of FUMC have lots of talent(s). It's not too early to sign up for FUMC's Got Talent show coming up on Wednesday, August 24th. So start practicing and honing your skills and call Jane at Ext. 1165 if you would like to perform. More details are on the way.

Anyone with a decorated golf cart or bike who is interested in being in our 4th of July Parade on Friday, July 1st at 2:30 p.m., please call Jane at Ext. 1165.

Anyone interested in starting up indoor shuffleboard again in Fellowship Hall, please call Jane Johnson at Ext. 1165. We need at least eight people!

TAX VOLUNTEERS NEEDED!

The local AARP Tax Aide program has supported our spring tax preparation days at FUMC for the last three years. However, several key volunteers are retiring from service. Don Smith is willing to continue but cannot do it alone. Single person sites are no longer allowed under IRS rules. AARP has an excellent training program toward the end of the year which does a great job of training new people as well as bringing returning volunteers up to speed. While we welcome people who are experienced in doing taxes, most of the AARP volunteers are people who just like to work with numbers. The training materials are available in the fall and include an on-line course. Class sessions are also run at the library in January in time for tax season. Don Smith is willing to coach and mentor. Local AARP has no one available to assign to support him next year. He has trained many younger retired men and women who find it is one of the most rewarding ways to serve their community and cheerfully look forward to doing it year after year. Please contact Don at Ext 1583, or 679-8034 (cell).

The Prayer Shawl group will meet at 10:00 a.m. on Wednesday, June 29th, in the Art Room on the lower level of Wesley Center. Everyone is welcome.

THANKS COMMUNITY!

A big thank you to our Community for your participation and help with the LONGEST DAY activities. Everything planned happened seamlessly and could not have happened without a great effort of the residents and staff! A special thanks to the United Methodist Women who were so efficient and skilled at serving at the bake and craft table. Bakers and crafters, you supplied a wonderful variety and abundance of items to raise money for Alzheimer's research. The delicious items you donated raised over \$100.00 and enjoyment for many of us.

Longest Day Committee

Twenty tickets to the Artcraft to see *Ma & Pa Kettler* on Thursday, July 14th at 1:15 p.m.. Transportation fee is \$1 – popcorn on your own there! Contact jane Johnson at Ext. 1165 if you hope to attend.

Thank you FUMC for the use of your pool and club house recently. With 38 family members joining us from all over the United States the club house was the perfect answer. Each year we have a weekend "Celebration of Life" in memory of my daughter, Cindy, and now this year for my husband, Bob. Thank you for joining our celebration and know you shared in our many blessings.

Those who enjoy Symphony trips know our Classic Symphony group was in a bus accident in March and Shirley, our chartered bus driver, was injured but thankfully none of us! She sent us a note we wanted to share with all of you:

"I can't tell you how thankful I am for you and your folks. I love them so much and can't believe how supportive and gracious they are and am so thankful no one was hurt. It is going to be a long process but I will get it done. Again I can't thank you enough for all you have done for me."

Love you all,
Shirley

FUMC MEN'S CLUB
Fellowship Hall
Wednesday, July 6th

9:30 AM – Coffee and doughnuts
9:50 AM – Business Meeting
10:00 AM – Program

PROGRAM

Our speaker will be E. Rene Stanley, Deputy Director of the Indiana Bicentennial Commission. Her topic will be "A Bicentennial Celebration". We will learn about "The Legacy Tour", and which events will be held throughout the year in many small towns in Indiana. Appropriately, we will have some Indiana history lessons shared in a unique way. Ladies are welcome.

Attention Gardeners! Do you have beautiful flowers to share? If so, please bring them to the Health Center nurses' stations for our residents to enjoy. Or call Julia at Ext. 1173 to have them

BATTERY RECYCLING

As of June 27th FUMC will no longer collect batteries for recycling as the company we use is no longer recycling batteries at no charge to us. The green buckets will be removed from the French Café and Brookside mail house. Alkaline batteries are safe to discard in your regular trash. Rechargeable batteries can be taken to Lowes or Johnson County Solid Waste Management. For further information visit Johnson County Solid Waste Management's website or call 317-738-2546.

Going on a vacation or have a relative that lives outside of Indiana? Health Center III residents would appreciate a postcard! We will track incoming postcards on a map and hang them in the hall. Please send to the address at the right!
