FOR IMMEDIATE RELEASE

ELECTRONICS VALLEY supports InterDrone 2017 as the MEDIA PARTNER

CHICAGO, IL, USA - Nov 02, 2016 - ELECTRONICS VALLEY Inc. (EV) signs the media partnership agreement with InterDrone powered by BZ Media for the year of 2017. EV has been supporting the InterDrone shows for the past two years and this new agreement will definitely strengthen the long term partnership between EV and InterDrone. *"We are excited to have Electronics Valley involved as a promotional partner for InterDrone 2017. As the acknowledged leader in aviation and aerospace education in the MENA area, EV plays a key part in bringing our message to the burgeoning drone industry in the region."* states Carl Berndtson, Director of Global Partnerships, **InterDrone**.

EV officials have been attending the InterDrone events since its start. In 2016, InterDrone was held on September 7 - 9, 2016 in Las Vegas, with an increased interest and energy. *"We, as Electronics Valley, congratulate InterDrone Team for providing the aviation industry with such a wonderful event. It is amazing to see how much InterDrone has progressed in a year."* says Arif Erkoca, PhD, Director of Business Development, **Electronics Valley Inc.** With an expected projection of 4,000+ attendees and 175+ exhibitors, InterDrone 2017 will be even larger.

InterDrone 2017 will be held at the Rio Hotel and Casino in Las Vegas from September 6 - 8, 2017. More information about the show is at www.interdrone.com

ABOUT INTERDRONE 2017

After an impressive second show (3,518 attendees from 54 nations, 155 exhibitors, 150 press, rave reviews) InterDrone returns to Las Vegas in its established calendar slot. It will feature conference tracks for engineers, software developers, executives, investors, regulators and commercial drone "buyers and flyers" in more than a dozen vertical market segments plus LOTS of new add-ons (stay tuned). 4,000+ attendees and 175+ exhibitors. www.interdrone.com
