

Bedford High School 50 year Celebration

Dear Bedford High School Alumni Choir,

You are invited to return to BHS for the two day 50 year celebration, and to singing the Alumni Choir! You are invited to return and sing in the Choir on Saturday, September 26.

The choir will be all vocal alumni that can return, including some from the current HS singers. If you still love to sing, you are invited to join us in the fun of making this happen. The intent is not to get ready for a master concert, but rather to perform as best we can with a one hour + rehearsal. You need to **RSVP by August 15** to either David Parker, cparcd1@yahoo.com or Mark Smith, Mark.smith@mybedford.us so that we can plan the ensemble and so that we can make music available to you. The dress will be business casual.

CHOIR Schedule for Saturday, September 26

9:45am Full choir rehearsal in the Bedford High School Vocal Music Room
11:00am Walk to the Bedford Junior High School
11:30am BJHS Gym for rehearsal of the Battle Hymn

The choir will perform:

Let There Be Peace on Earth conducted C. David Parker

The program will end with The Battle Hymn as a combined performance of all orchestra, band and choir participants to be conducted by Paul Stanifer.

Others to be recognized or to perform as part of the program will be:

Present and former administrators, board of education, teachers, those that worked with the high school including all sports coaches and team members, cheerleaders, flag corp, majorettes, the orchestra alumni, band alumni and all that we can imagine as the Bedford High School Family over the past 50 years.

Plan to attend, plan to participate in the choir if you are able, and for sure, plan to be in the audience if you'd simply like to enjoy this experience.

Musically Yours,
C. David Parker
Mark Smith
