Travel:

Make your own way down to Swanage to the accommodation on Friday night. Contact others on the trip to take as few cars as possible, we will share fuel and travel costs on a car by car basis.

Equipment:

In addition to the usual BCD, weights, regulator, mask & fins each diver should have their own dry suit and be proficient in its use. Gloves and hoods will be required.

All divers **MUST** possess their own individual reel and Delayed Submersible Marker Buoy and be proficient in its use, either unassisted or in a buddy team.

All divers should have the use of their own primary torch and a spare is highly advisable.

You only need one tank as we will be returning to shore after each dive.

Costs

Just a reminder that you will be paying for the cost of your diving and accommodation through the club, however you are responsible in full for your own gas bill, bar tabs and any equipment hire or rental charges and any damages caused.

For a minimum group of 8 divers (costs will go up for accommodation if unable to book the hostel);

- Approximately £180
 - £140 diving
 - £40 accommodation
 - Non-members may be subject to a further £20 administration costs.

Costs based on 8 divers attending, though a maximum of 11 divers can attend.

Breakfast is provided, though additional costs for lunch and evening meal.
