

June 2015

Welcome back to another skating season!

It's time to renew your club membership for the 2015-2016 skating season. Your membership is valid from July 1, 2015 through June 30, 2016. This membership includes ICES club membership, membership in United States Figure Skating Association (USFSA) and a monthly issue to the SKATING magazine published by USFSA.

Our club is a nonprofit organization that relies solely on the volunteer work of each skater and their family to ensure the success of our club. Each family is required to perform volunteer hours each year. There are many ways to meet your volunteer hours including holding a leadership position (President, Treasurer, and Membership are available this year), assisting at our two ice shows, helping at our upcoming Basic Skills competition we are hosting in June, assisting in the Learn to Skate Program and playing music during the various ice times. Please fill out the Volunteer Information Sheet included in this packet.

Based on the membership level, the volunteer fee and volunteer hours required are as follows:

- First Club Membership - \$135, 30 hours
- Second Club Membership - \$50, 15 hours
- Junior Membership-\$50, 15 hours
- Learn to Skate Membership - \$25, 10 hours

The volunteer fee paid at the beginning of the season will be reimbursed at the end of the year once the volunteer hours are completed on the form provided. Skaters must keep track of their own hours on the ICES Volunteer Form and must have all individual functions or activities signed by a club officer or coach. Forms must then be turned into a board member or the ICES mailbox by the end of May for reimbursement of fees.
