

# The Wind

Huff, puff, blow...the wind sure is busy out in Mallowbrook Hollow at & the fairy folk's homes are just about holding up, thanks to all the moss and leaves they patched them up with during the autumn.

Elliot & Culley love listening to the blustery gales, whilst warm inside doing their puzzles. How about you join them...

## Across

- 3. Weather \_\_\_\_\_ - Used to tell us the wind's direction
- 5. You hang this out in the wind to dry
- 6. Wind \_\_\_\_\_ - uses the wind to create energy
- 7. Something you fly in the wind
- 8. A strong wind

## Down

- 1. A light wind
- 2. A unit to measure wind
- 4. The windiest place on earth
- 5. They use the wind to grind wheat to make flour

We want your windy artwork! Send your pictures to Elliot at [elliott@mallowbrookhollow.com](mailto:elliott@mallowbrookhollow.com).

Elliot & Culley will pick their favourites to display in the Mallowbrook Gallery at [www.mallowbrookhollow.co.uk](http://www.mallowbrookhollow.co.uk).
