July, 2016

Dear Parents,

We are pleased to announce some important improvements to our lunch program. Last year we opened the Sterling and Jean Miller Dining Hall in the middle of the school year. This was a refreshing change to our lunch program and provided an opportunity for growth at LCA. This year, we are excited to announce the addition of Chef Ben Simmons to our staff. Chef Simmons has professional experience and will fully utilize our new kitchen in preparing new items for our lunch menu.

Your child will have several options for their daily lunch. Their first option will be to bring their lunch daily. If a school lunch is chosen, they will have the option to choose a hot lunch, a salad, or a sandwich/wrap selection. This will allow students to have some flexibility when ordering lunch.

In addition to this change, we will be rotating the lunch menu every three weeks instead of monthly. We believe that this will keep the menu fresh and provide a variety of foods for the students. We feel that with this system, the addition of the Chef to our team, and the improved quality of foods and menu, most students should find something they like every day.

The lunch ticket program and prepay systems used in the past will remain in place, with no change in cost. Even with the added changes, choices, and improved quality, the cost to you remains the same.

We look forward to serving your students this upcoming school year.

Sincerely,

Mr. Norris, Superintendent
