Personal Statement:

I'm an athlete who knows the game of softball and I'm truly dedicated to this sport. What I can offer to my team is the promise to always work hard on and off the field and to never give up. I want to be the best team player to help support my team. My goals are to continue playing the sport I love at the highest level of competition and to earn a degree. Another goal is to make an impact on my team and to help little girls, like my little sister to learn and enjoy the game of softball. I also enjoy playing basketball, taking photos, fitness and helping plan school events.
