## **25 - A Day at the Club**

Several men are in the locker room of a golf club.

A cellular phone on a bench rings and a man engages the hands-free speaker function and begins to talk while everyone else in the room stops to listen.

MAN: "Hello"

WOMAN: "Hi Honey, it's me. Are you at the club?"

MAN: "Yes."

WOMAN: "I'm at the shops now and found this beautiful leather coat. It's only \$2,000; is it OK if I buy it?"

MAN: "Sure, go ahead if you like it that much."

WOMAN: "I also stopped by the Lexus dealership and saw the new models. I saw one I really liked."

MAN: "How much?"

WOMAN: "\$90,000."

MAN: "OK, but for that price I want it with all the options."

WOMAN: "Great! Oh, and one more thing... I was just talking to Janie and found out that the house I wanted last year is back on the market. They're asking \$980,000 for it."

MAN: "Well, then go ahead and make an offer of \$900,000. They'll probably take it. If not, we can go the extra eighty-thousand if it's what you really want."

WOMAN: "Oh THANKS! I'll see you later! I love you so much!"

MAN: "Bye! I love you, too."

The man hangs up. The other men in the locker room are staring at him in astonishment, mouths wide open.

The man turns and asks, "Anyone know whose phone this is?

## **40 - The Power of the Shrimp**

A Catholic nun was sitting on a train opposite a Muslim man wearing a turban, who was eating fresh shrimp.

Every time he ate one, he spat the tail in her direction, requiring her to deflect it.

He finished the box and threw it out the window.

Seeing this, she had enough, and pulled the train's Emergency Cord.

The Muslim looked at her and said, "You'll get fined \$250 for doing that, you stupid, worthless, Infidel, Catholic bitch."

She laughed and said, "When I cry rape and they smell your fingers, you'll get 10 years, you towel-headed camel-fucker!"

## **52 - I heard it on the radio**

Little Johnny got a new bike for his birthday and he was out riding it in the neighborhood. All of a sudden, he sees police surrounding a bank in the downtown square.

He asked a cop what was going on and the cop told him that they were arresting a group of bank robbers. He quickly hopped on his bike and rode home to tell his mom.

"Mommy, Mommy," he said, "I was riding my new bike downtown today and the police surrounded the bank."

"Yea, Yea," Mom said, "I heard it on the radio."

Johnny was a bit confused because it had just happened but he just let it slide. The next day, Johnny was riding his bike on the other side of town.

All of a sudden, he was passed by a fire truck, screaming its way to a house fire the next block over. He turned his bike around and raced back home, running in the house and shouting,

"Mommy, Mommy," he said, "I was out riding my new bike on the other side of town and there was a house on fire. The fire trucks came and everybody was running around."

"Yea, Yea," Mom said, "I heard it on the radio."

Now Johnny is really confused. How could she have heard it on the radio when it just happened?

The next day, Johnny was riding his new bike out in the country. He came upon a field of pigs and the farmer had mounted himself on one of them.

This looked like fun, so Johnny dropped his trousers and mounted one of the other pigs. When he was done, he got back on his new bike and rode home. His mom was in the kitchen.

"Mommy, Mommy," he said, "I was out riding my new bike in the countryside and I had my first sexual experience."

"Oh," Mom said, "In a pigs ass you did."

"God Damned that radio".
