Dear Customer,

Thank you for requesting information from Down Home Repair. It is our pleasure to assist you with your home maintenance, repair and remodeling needs. Our goal is to provide you with top notch service, professional advice and a finished product that meets or exceeds your expectations. Here's what you can expect from Down Home Repair:

- **Honesty and Integrity** – We are transparent in everything we do including pricing and work scope, so no hidden costs.
- **Reliability** – We know how valuable your time is. We keep our appointments and return phone calls and emails promptly.
- **Professionalism and Friendliness** – We believe firmly that good old fashion work ethic and service never go out of style.

We don't want to be just another contractor; we want to be your contractor. But our ultimate goal is your satisfaction. If a job is beyond our scope of work or licensure, we are more than happy to make qualified recommendations and referrals to other contractors. Don't think of us as a handyman service, think of us as a personal problem solver for all your home improvement needs and please never hesitate to call us for help.

Thank you for the opportunity to be of service. We look forward to working with you.
