

RULE 11 – DEFERRED STARTING TIME

Where Passenger Engineers normally report for duty without being called, and it is desired on any day to defer the reporting time, at least two hours' advance notice will be given before the usual reporting time of the assignment. The advance notice will specify the new reporting time, and the Passenger Engineers' trip or tour of duty will not begin until that time. If not so notified, the reporting time will be as provided in the assignment. A Passenger Engineer may have his starting time deferred only once for each trip or tour of duty.
