**Welcome Back! I hope your Christmas was joyful! We wish a Happy New Year to all of you! May you be blessed with all God's good gifts!**

## Registration/Open House

We will soon be beginning our fall registration for the 2016-2017 school year. If you are hoping to continue next year here at Christ's Kids, you will need to register your child for the days you anticipate them to attend. New registration forms will be given to you to fill out and return in order to hold your spot for the fall. A \$50.00 Registration fee is also required. You are given first priority in the registration process the end of January, as you are currently attending, before we open registration to the public. However your spot will not be held and I cannot guarantee a place in the fall unless I receive the paper work.

We are then going to hold an open house for new registrations for the fall season on February 4th from 5-6 pm. If you know of someone who is interested in our program for the fall, encourage them to come and visit our school and get information and fill out paperwork.

**Birthday Wishes!!** *Happy Birthday*

## Show and Tell

**On Thursday January 7<sup>th</sup> the children will have show and tell. They are encouraged to bring 1 item they received for Christmas. It could be a special toy, book, game, ornament or other item they got. Items will not be played with at school, but will be shown to the class and then put away.**

## Class Needs

Looking ahead to class needs I plan to turn our dramatic play into a post office/ florist shop/Doctor office in the coming months. So please bring in the following items if you can; plastic/silk flowers, plastic vases, envelopes of various sizes, "stamps" (stickers of various design), blank cards for writing letters, index cards, bubble wrap, old white shirt of Dads (for a lab coat), a stethoscope, x-rays, and small baskets.

## Christmas Program

Thank You to all of you for coming and listening to your children tell the story of Jesus Birth through the Friendly Beasts. They worked hard on all the songs. Thank you for your efforts to help them learn the words. They did a great job!!

## Severe weather

Please remember during the winter that you need to be mindful of severe weather reports and listen to the TV stations in case of school closing. If the Shakopee schools are closed due to weather conditions—so are we. If they start late- we are closed.

## Clothing for Winter

I know children need to get outside and enjoy the snow that falls during the winter. However due to our short mornings and the time it takes to dress each child in all their winter wear, we will not be going outside every day when there is snow on the ground. So we will try going out on Thursdays IF everyone has all they need. So be sure to send hats, mittens, snow pants, boots, warm coat, and scarf on Thursdays if there is snow. (Help your child to take responsibility for gathering all these items before school If only one child is without-we will all stay in. If we consistently have to stay in due to lack of outerwear, we will stay in during winter.

## National Lutheran Schools Week

National Lutheran Schools week is celebrated each year throughout our country in celebration of Gods' gift of our schools. The week is recognized in various ways by schools.

We will celebrate with some special events.

## Milk Moola

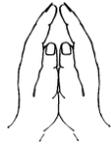

We will be starting to collect Milk Moola caps and product codes from Kwik Trip stores. If you bring in these items we can get cash for our school for collecting these. Please start saving these and watch for further information to come.
