Last Month

It is hard to believe how fast the school year has gone. This is the last month of the year and it will be a busy one! Please read carefully the information so you know what is happening in our school and are able to plan for the activities.

We wish a Happy Mother's Day to all our Mothers this month. You are very precious in your child's life and in God's eyes. Thank you for all you do for your families! We will be making some very special art projects this month. 😊

Graduation and Closing Picnic

We will once again hold a graduation for those going on to Kindergarten in the fall, and a closing picnic. This will all take place on May 26th at 11:00am. This will be our last day here at school for the summer. We will hold a short program and graduation service then will join our fellow classmates in the picnic and gathering afterwards. Parents, grandparents, and friends are welcome to attend. There will be signup sheets for food and number of family coming so we can plan the food and supplies needed. We hope it will be a nice warm sunny day and kids will be able to play outside and maybe have a jumpy available. Please plan to attend this fun event and send off your child on a summer of fun and anticipation.

Fall Registration

If you are planning for your child to attend again next year, I need your registration information now! We are trying to plan next year's schedule and expand our program, but we can only do this if families are signed up. More families committed to coming, the more options possible.

Shoes

Please remember children should be wearing tennis shoes here at school. No sandals or crocs allowed for safety reasons. Thank you!!

I will be with you wherever you go.....Matthew 28:20

Share Day

We will be having share day on May 19th. Children should bring something that reminds them about summer.

"All About Me" posters

I am sending home a poster called 'all about me'. If your child came home with a poster, this is their homework! Please help them to fill in the spaces with photos or drawings, in answer to each inquiry. We will get to know more about your child and these posters will be put up in the classroom. Thank you!
