PayPal Account

Special points of interest:

- Schwan's nets over \$400
- PayPal account
- December Boutique
- Droolin' Moose Candy

Tammy Block, our committee Treasurer is setting up a PayPal account.

The PayPal account will be used as an option for our local businesses, sponsors, friends and families to make financial donations to the party.

The fundraising committee intends to use the account in order to receive payment for our next campaign, Heggies pizza!

Supporter's who enjoy Heggies Pizza will be able to order and purchase pizza through our organization, in doing so, the party will receive a significant return on each pizza sold.

The PayPal account will be able to separately track how this campaign and future opportunities are contributing to the overall fundraising effort.

A big thank-you to Tammy for her continued valued efforts and contributions to the party!

Once the PayPal account is established it will be available at the party website, and on our Facebook page.

Amy Hansen, Co-Chair of the fundraising committee, is developing a multiple vendor boutique.

Soliciting our local businesses

The following is a draft of the letter that will be sent to all of the businesses within the City of Rosemount -

Dear Friends of Rosemount High School Seniors,

It seems like only yesterday that our toddlers were heading out of the door to their first day of kindergarten! Well, it has been a long road, but we've done it! We have survived the bumps and bruises, tears and triumphs, and are now trying to take it all in as they prepare to step out of the door, and into their future as a Rosemount Senior High School Graduate!

A committee of parents is formed each year to help the graduates celebrate their accomplishments upon graduation.

It is our mission to host an all night party at the High School, where the attendees are locked in for the night in an alcohol and drug free environment, which serves two purposes: 1) it prevents needless harm to our precious sons and daughters and 2) they enjoy a night of fun, food, games and friendship.

The committee and volunteers decorate the school; provide security, food and activities that last all night long. At the end of the night, a raffle is conducted where each attendee leaves with an outstanding prize.

This is where your help can make a huge impact on the success of the event.

We are asking for a donation from you!

Outstanding prizes, food, the decorations and all of the activities that are provided unfortunately don't just show up, they must be paid for. Your financial gift can help us achieve our fundraising goal of \$25,000.00.

Your kind contribution will be rewarded with the knowledge that you have helped keep our children and community safe during a night that can become very treacherous. Also, we will recognize your name, brand and/or business via a full page thank you ad in our local newspaper, on our website, Facebook page, and again at the event itself.

All contributions go directly to the kids, in prizes, food, beverages, and entertainment.

Donations may be sent via our Paypal account at _____, or you may mail your donation to the address shown on the next page. If you are able to contribute an in-kind donation, we can have someone pick it up if necessary. Donations are tax deductible as we are a non-profit entity, and we will provide a receipt for your tax purposes upon request.

Your prompt donation will help us make purchases at discounted prices as they become available.

We encourage you to check out the aforementioned website: rhs2016srparty.my-free.website, and [Facebook page: RHS Class of 2016](#) - where you can learn more about the party!

Thank you for the support that you have given Rosemount Schools, it is truly appreciated!

Sincerely,

Eva Wick

Go Fund Me

We are entertaining the idea of starting a crowd funding page at this time, research is being done to determine which crowd funding site to use should we decide to pursue this activity.

Fundraising Committee

The Fundraising Committee is looking for volunteers to help with these campaigns and future opportunities.

Also, we are currently creating a gift/prize list, and looking for bargains, if you see potential items

that could be considered a prize for the party, or if you have access to discount pricing, or shopping, please let Amy or myself know.
