Headteacher: Andrew Beeson

Issue number 36

Friday 15th July 2016

Partnership Name

The Governors from both St Martins and All Saints have agreed the new partnership name. It is the Village Saints Partnership.

Seaside Special - Wednesday 20th July

The lunchtime menu on Wednesday will be fish and chips, ice cream and a drink in a take-away paper bag. We are hoping that the weather will be nice and then this will be eaten outside - picnic style!

Laura Ballantyne

Laura is having her hair cut short on 29th July 2016 for the charity Little Princess Trust. If you would like to sponsor her, there is a sponsor form and collection box in the school office. Please see the noticeboard for more information.

Mr Beeson's retirement

We will be holding our end of term Church service here at school on Wednesday 20th July as it will also be Mr Beeson's leaving presentation. Parents and friends of the school are welcome to come and join the children from 10.15am in the school hall. We are holding a collection for Mr Beeson if you wish to contribute. We will also have a leaving card for parent's to sign which will be held in the school office.

Bewilderwood Trip Tuesday 19th July

The bus for the whole school trip will be leaving promptly at 9.00am and is due back between 5.00pm and 5.15pm. If the return time is different, we will send out a text message. Children need to wear school jumpers/cardigans but any trousers, trainers, comfortably shoes suitable for climbing and rough terrain. They will need a packed lunch, additional snacks and drinks. They will also need waterproof jackets - hopefully pac-a-mac style. Please be aware that children will be carrying their bags around all day so please do not pack lunches into huge Tupperware boxes. They will not thank you later!

Cycling Proficiency for Year 4

Mrs Hall will be holding level 1 cycling proficiency in the school playground on Monday 18th July. All year 4 are invited to take part. They will need to bring their bikes and helmets to school that day.

Guitar and Ukulele Lessons

Ed Taylor demonstrated the ukulele in assembly the other day. If your child is interested in ukulele or guitar lessons, please ask for further details at the school office.

Time Keeping

3 late this week! Can we go for zero for the last week?

Sports Stars

Rosie Thompson and Poppy Leamon.

No sports stars for Neptune and Mars class as they were at the dodgeball tournament where we got two second places. Well done!

Top Table

This week's winners are - Harry French, Alfie Clayton, Kerenza Knapp and Grace Armsby.

Last week's winners at the top table.
