*Friday November 13th
at Rio Bravo*

[Marty Smith]
MotoCross

Marty Smith will be at Rio Bravo Friday, November 13, 2015 to offer 10 riders a chance to attend his famous motocross training class. His class will give the attendees skills to help them ride safer and smarter through improved technique. You will learn how to make the bike and track work best for you while sharpening your skills with racing instructions from a national motocross champion. Each rider is personally watched and coached! On and off the track drills regarding starting, cornering, off cambers, ruts, bowl turns, etc.

There will also be plenty of time spent just talking and hanging with Marty for question and answer sessions while reviewing your accomplishments.
