It's time to order your 2017 poppies. Poppies will again be \$15.00 per 100 ordered and as stated in the Department Constitution and By Laws, the **minimum** Unit order is 100 poppies. Remember the Poppy Donations are now able to be used for Veterans, Active Duty Military and Active Duty Military Families. Let's continue to promote Patriotism by asking people to wear a poppy for a Veteran. Remember every day is a poppy day!
