Welcome Back

I really hope that all families enjoyed some quality time together during the recent holiday. As mentioned in the last newsletter, term 4 always seems to fly through, so we are fully prepared for a busy and exciting term. On Monday of week 1, all staff engaged in professional learning to ensure that we are striving to provide an even better level of education for your children. We were expertly led by our Chaplain Jayde, through a DRUMBEAT session. Jayde has recently completed her DRUMBEAT training and will soon be working with groups of children using this terrific program. If you would like to know more about the program please feel free to have a chat with our Chaplain.

We then moved across to our "Science lab" to experiment with all the new and exciting robotics and digital technology equipment. Ask your children about this over the next few weeks as I

am sure they will have some exciting stories about Sphero, Dot or Dash.

Assembly

This term we are trialing a new assembly time. Assemblies will be moved to **FRIDAY AFTERNOON at 2:00pm**. This will allow us to arrange our timetable a little differently and more effectively to cater for children's literacy and numeracy learning. Our first assembly at this new time will be Friday 21st October, Week 2 at 2:00pm in the undercover area. There is a timetable on the next page of the newsletter.

School Website

We have recently updated our school website. The link is www.rivervaleps.wa.edu.au. Please check it out for information on upcoming events, photos and latest newsletters.

School Photos

We realise that it is later in the year than usual, however we wanted to ensure that our photos for 2016 were taken with all students in their new Rivervale uniform. Photo Day is next Wednesday 19th October. There is a separate note included in this newsletter with more information about this.

Sports Carnival

Well despite the 5 minute downpour we had another very successful Faction carnival day. We thank you all for your support.

Swimming

Swimming lessons will take place at the start of week 5 and run for 2 weeks . We have 80 places available (bus limits) Swimming information is included with the newsletter. You will need to provide a \$25 deposit ASAP to save your child's place. We are still finalizing the total cost but it will not be more than \$65 (as mentioned in our Contributions and Charges schedule) for the 10 swimming sessions. This covers bus travel and pool entry.

Staff changes

We would like to welcome Mr Paul Thompson to our staff. Paul will be running the Physical Education program so that Mr Kiernan can work full time in Room 5, (Mrs Beziec is on maternity leave)

Parent survey

Thank you to all our parents who returned surveys or completed them on line. The winning raffle ticket belonged to Guiseppe Senzio. We hope he enjoys his new uniform.
