ALL PURPOSE COTTON SASH CORD

An economy grade cotton sash cord. Suitable in applications where the excellent handling and knot tying characteristics of cotton are required. SOLID BRAID non rotating construction. Environmentally friendly natural fiber.

SPECIFICATIONS

SIZE	DIAMETER INCH	LENGTH FEET
# 6	3/16"	1,200
# 8	1/4"	700
# 10	5/16"	425
# 12	3/8"	320

STAGE CORD

Available in black or natural cotton (beige) colour. The black is made of spun synthetic yarns to give that soft, fuzzy, "cotton" feel.

(BLACK)
