### **Having your baby at William Osler Health System- Etobicoke General Hospital**

We are pleased that you have chosen William Osler Health System (Osler) for the birth of your baby and we are committed to providing you with the best possible care while you are with us. We want to share a few important things with you as you continue on this exciting journey.

Please visit our web site: <http://www.williamoslerhs.ca/havingyourbaby> for more information about planning for the birth of your baby at Etobicoke General Hospital. You will find helpful educational information on this website as well as a site-specific virtual tour.

The website also has a link to e-learning materials provided by Peel Public Health on topics such as staying healthy during pregnancy, comfort measures during labour, caring for your newborn, infant feeding, adjusting to parenthood, and resources in your community. This information is valuable and we encourage you to review the educational materials to help prepare for the birth of your baby.

Below is a list of telephone numbers that you may find useful if you need to contact us directly.

Congratulations, and we look forward to making this a memorable experience for you and your family.

Sincerely,

Osler's Women's and Children's team
