The British Are Coming... In Style!

Posted on September 1, 2015 by madadash

MG's, Triumph's, Austin-Healey, and more, the British Invasion is a British lifestyle event that started "over a pint of ale" in Stowe, Vermont, in 1990. A three-day event that starts on the third Saturday in September each year, to include "all things British", with primary focus on classic British motorcars.

The British Invasion is the largest "all British" motorcar show in the United States annually attracting over 600 British motorcars from the US and Canada.

"From high brow to low slung, the gamut of British auto history is well represented. They come in by the hundreds to compete in two major car shows" – People's Choice and the Concours d'Elegance.

Truly a British Invasion of fabulous proportions in a magnificent, world-class alpine setting. Stowe, VT has a British flavor and provides the perfect setting for such an event with; rolling hills, spectacular fall foliage, and wonderful winding roads to entice the British car enthusiast.
