

Dear Fellow Postdocs,

here it goes our sparkling monthly newsletter!

- **New Website Release**

the KI Postdoc Association is delighted to introduce our renewed website! You can find it at the following link

Our website keeps you updated on our events and initiatives and provides information to orient yourself in Sweden and KI.

Our website is maintained and design by fellow postdocs here at KI, so feel free to drop us suggestions for further improvement at the following email address: [info@kipostdocassociation.org](mailto:info@kipostdocassociation.org).

- **Postdoc Days in 2016**

The KI Postdoc Association Executive Team has a rich plan for 2016! We will organize three **Postdoc Days!** Every Postdoc Day will be a workshop and network opportunity to develop your professional skills and grow your professional network: don't miss them and stay tuned for more information!

- **Networking Seminar**

Talking about networking, Naturvetarna, the Swedish Association of Professional Scientists, will hold a seminar entitled: "**Survival of the Best Connected**" here at KI on Apr 7th.

Your opinion counts!
