

Electric Shaver “Sprint 2”

Brand: EASY HOME

AQD No.: 9113970 (South) ; 9113971 (Hofer/CH) ; 9113972 (UK/IRE) ; 9113973 (USA)

Orig. mod. no: RSCW-7698A (Hualing)

<p>Product Photo</p>	
<p>Adaptor</p>	<p>Unit IPX 6 and Adapter IP44 under norm (EN-60335) and ErP conform Adapter with input 100 – 240V, 50Hz, automatic voltage adjustment Brand: Surepower Output: 5VDC 800mA For aldi south Model no. SW-050080EUD with DC cord 20AWG For Hofer/CH model no. SW-050080EUD with DC cord 20 AWG For UK/IRE model no. SW-050080BS For USA model no. SW-050080A Current during charging: 90-100 mA Visible cord length exclusive plug: 1,8m – with soft connections of the cord</p>  
<p>Operation</p>	<p>Corded and cordless operation (direct drive) 4 W</p>

Rechargeable batteries	<p>1 x Lithium 14430 AA 500 mAh – Brand: HFR a. All batteries have to be fully charged for shipment. b. All batteries if still not used upon completion of twelve (12) months in storage without GB being opened, must still have no less than twenty percent (20%) capacity remaining in the battery to avoid deep discharging. c. Unit operating time: Maximum allowable operating reduction time of five percent (5%) capacity reduction per every 6 months from FOB date.</p>
Shaving system	<p>Foil and blade same as PO 100105 Aldi Sprint 4</p> <ul style="list-style-type: none"> - Detachable shaving head - with triple shaving system with 2 shaving foils and integ. Long hair cutter <p>material of foils Nickel (Stork) Shaving foils have to pass Nickel release test based on EN 1811/ EN 12472 under 0,5 µg/cm²/week.</p> <p>Blades made by stainless steel (SUS304)</p>
Motor	<p>DC Motor Speed: 7,000 - 8,000 rpm Voltage: 3.7 VDC Brand: Suoma Model No: FF-180</p>
Noise level	< 65db at 30 cm distance
Long hair cutter	Lifting-up long hair trimmer on back of unit
Waterproof level	<p>Unit: IPX6 Adapter: IP44 for GS/BS IPX4 for UL</p>
Continuous operation time	Minimum 60 min (if fully charged) during the complete usage period being minimum 36 months as of the date of purchase of the product by the customer
Charging time	<p>First: 8 hours Regular charging item: 8 hours With Overcharging protection Deep discharge protection</p>
Switch	Electric ON/OFF-switch with integrated Travel lock function, after press 3 sec. (for lock / unlock)
LED Display	<p>Digital encoding LED with “battery” and “plug” symbols:</p> <ul style="list-style-type: none"> - when charging: the red plug symbol appears - at low battery capacity (only can be used for 3-5 min.): the red plug symbol blinking - when finish charging: the battery symbol blinking in green - on operation (without adapter): battery symbol appears steady in blue - when use with adapter (direct drive): no symbol indicator, LED panel is keeping in black.
Material	<p>Housing ABS with rubberized except:</p> <ul style="list-style-type: none"> - the long hair cutter on the back and shaving head, black injected - LED panel at the front side made of PC, glossy black injected
Accessories	<ul style="list-style-type: none"> - Polyester pouch for shaver only - Cleaning brush - Protective cap (in black transparent) with 3 days beard attachment - ErP conform - Adapter
Wet & dry function	Suitable for wet and dry shaving
