2016 Klein High School Volleyball Team Needs You!

Our team is young, enthusiastic, and talented. We are seeking business sponsors in our community to help us reach our goal of excellence on the court and in school!

Look how your company will benefit!

- Your business will be marketed to households in the Spring/Klein area
- Most households are within five miles of your business, providing perfect demographics
- Your company recognized on our team website - bearkatvolleyball.com
- Your company logo will be included on our Annual Program and will be recognized on our customized banner with your company's name/logo that will hang in our gym, reminding families to support your business (Friend - Bronze - Silver - Gold).

This provides great advertising for your business, and is a wonderful way to support the student athletes in your community!
