

## **JennisonFYI Privacy Policy**

This privacy policy discloses the privacy practices for JennisonFYI. This privacy policy applies solely to information collected by this website and explains the following:

1. What personally identifiable information is collected from you through the website, how it is used and with whom it may be shared.
2. What choices are available to you regarding the use of your data.
3. The security procedures in place to protect the misuse of your information.
4. How you can correct any inaccuracies in the information.

### **Information Collection, Use, and Sharing**

We are the sole owners of the information collected on this site. We only have access to/collect information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone. We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products and/or services, or changes to this privacy policy.

### **Access To and Control Over Your Information**

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or phone number given on our website:

- See what data we have about you, if any.
- Change/correct any data we have about you.
- Have us delete any data we have about you.
- Express any concern you have about our use of your data.

### **Cookies**

We use "cookies" on this site. A cookie is a piece of data stored on a site visitor's hard drive to help us improve your access to our site and/or identify repeat visitors to our site. Usage of a cookie is in no way linked to any personally identifiable information on our site.

### **Security**

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline. Wherever we collect sensitive information, such as credit card data – that information is encrypted and transmitted to us in a secure way. While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need secure access to your information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.
