

PORTFOLIO
Gregor Zimmermann

PROFILE PASSION

I'm a professional BMX Rider - this is one of the most important things to know about me.

It shows my ability to work hard, focus on a certain approach to a solution and still be efficient.

PROFILE

4

Chronos Timer App

Do you know that feeling?
Even though you got out
of bed early, there is not
enough time to get
everything done in time?

You start setting your timer
earlier and earlier every day,
but still have issues with
your daily schedule?

Say „Hi“ to Chronos. The
flexible timer, that'll help
you to start your day right!

5

Malli Beanie

Malli is the next generation
bicycle helmet
It looks like a normal beanie
from the outside

Malli is connected to your
smartphone and uses its sensors

In case you tumble, Malli inflates
and protects your head

Malli won the
„Hightech-Design Award“
by
Hoepfner Stiftung - 2015

Brave Concept

5
