

PROPHETIC NUGGETS 2016

Prophetic Impartations

Volume 1

What kind of creature is this that rules the earth and judges angels?

What kind of creature is this formed of earth dust, whose breath is divine and whose spirit is eternal?

Beloved once you discover who you really are, the world will bow to you.

WHAT ARE YOU ALLOWING IN YOUR MIND GATE?

For who has understood the mind of the Lord so as to instruct him?’ But we have the mind of Christ.” I Corinthians 2:16 –

Do not be deceived. Your anointing depends on it.

But he who prophesies speaks edification and exhortation and comfort to men. 1 Corinthians 14:3

PROPHECY December 18, 2015 -- There is a new revival coming to the nation of Africa. Not in the numbers of salvation but in restoration. I hear the Lord -- A revival of restoration.

I hear the lord. "I have drawn attention to you through your suffering. Nations watch you and help you. Now I the Lord will do a thing in you my Africa. They have called you "without" but I call you my own.

I am restoring desert barren lands. I am restoring what was once your splendor. I am sending you the rain. The world will see this wonder and know that I alone deliver. I alone can heal and feed my people. They have been drawn to your need and I used that to get them there. The stage has been set.

The characters are all aligned and I will open the curtains and make what was once a spectacle, spectacular. I the Lord am doing wonders and I alone will get the glory.

This day I give you a new name. I call you my beloved." Selah.

Your words are looking for a body.

Every spoken word is destined to put on flesh. John 1:14.

You are presently surrounded by words. You are surrounded by ideas that have taken physical form. That sofa, that chair, that car,

that coat---all ideas that put on physical form. And, the creator of those things named them.

My question to you is; what are you naming? I'm not asking, what are you claiming? Listen to free audio entitled "Prophecy: From declaration to manifestation" for a powerful teaching on the three dimensions of prophecy.

HOW SHARP ARE YOU?

As iron sharpens iron, so a man sharpens the countenance of his friend. Proverbs 27:17

Sharpening requires vigorous pressure and friction. Are you allowing the wisdom, knowledge and counsel of others to sharpen and perfect you? Are you constantly learning and applying new ideas or are you a dull knife in the drawer that God cannot use?

Are you teachable?

Are you eager to learn and keep on learning? Can you receive this from a friend? Do you have friends that sharpen you?

Jesus the Rabbi, how much of Christianity today is about what Jesus taught? Are we members of an organization or are we students of the Master? Are we students of what he taught or followers of miracles fishes and loaves?

What is the thing that keeps us from new levels of spirit and power? Not Satan. Not demons. Not fear. Not doubt. Not people. PRIDE! Oh you say this is not your issue do you? Pride is the soft voice in your head that says "I don't need to know that - I know that already." The depth of our anointing and power is determined by our level of "application" of what we say we know. The anointing is "results" oriented. Where are the results of what you know? Just because you heard something doesn't mean you know it.

Please don't get offended or say "I know this" because you already heard what I'm saying. Stop and listen. This generation has heard a lot. Information is everywhere: books, audios, videos but -- in constant spiritual warfare, debt, sickness, strife, bitterness, can't sleep, overeat, addicted, unforgiving and unteachable. I went there.

This is a harsh word, a harsh reality but if you really want to experience the fullness of God, the Holy Spirit and God's blessings -- you must start "operating" -- thus "doing" -- "living" -- "experiencing"--"enjoying" what you've been hearing about the anointing, about faith, about prosperity. God wants to move you from hearing and hearing and hearing to KNOWING BECAUSE YOU'RE DOING.

Information is very different from understanding. Pride keeps us from truly learning the ins and outs of applying God's word. The

HOW is missing from the pulpit. We hear a lot of "what we need" "what the problem is" but don't get a lot of "how". Honestly they don't know either. Let's get real people. All of the preaching and teaching is useless if you don't learn the HOW. There I go again.

That's the truth and truth offends us but if you can get past allowing your feelings getting into it, you'll see that what I am saying is true. The HOW is going to cost you something. The HOW is more valuable than gold. I challenge you to make a commitment to moving from "hearing" to really "knowing" so that you can "apply" and have the victoriously living in Christ's anointing and promises.

Stop the fluff and get into the real stuff.

Ask the deeper questions, seek deeper, knock harder and the fullness of the Holy Spirit will be opened to you -- not just in word but in power.

The same people that rejected God and asked for a king-later revolted against the king and asked for a president. These same people now cry for socialism to save them. Calling themselves evolved and seemingly intelligent willingly desire to forsake their "individual sovereignty" and trade it for socialism. They can't read between the rhetoric or beyond campaign promises to see that it's socialism in sheep's clothing. History records the people going to

the prophet asking for a king but they didn't heed his warning. Now, we are reaping our own demise because we reject God's standard and prefer to be ruled by mere men.

DONT BE AFRAID OF THE DARK -- When surrounded by blasphemy and sin, shine! When surrounded by fear and confusion, shine. When surrounded by death and despair, shine.

This is your moment to shine. As the world grows more corrupt, shine!

This is our moment. For this we have been called, to shine! Shine beloved!

This is our hour to stand in faith, unmoved and undefiled. Light always, always conquers darkness. Go forth!

You are the light of the world, SHINE!

There are hearers of the word. Doers of the word. And those that become the word. 2 Corinthians 3:1-3

America's new revolution will not be led by Tea Party conservatives, radical Christians or Muslim extremists.

It will be started by affluent intellectuals whose social and economic philosophy is founded on an elusive utopia.

Equitable distribution of crumbs to the masses is controlled and distributed by the affluent intellectual few who enjoy the whole loaf.

To him that has an ear to hear let him hear what the Spirit of the Lord is saying.

Preaching inspires you, teaching molds you, and prophecy directs you.

~~~~~  
Come out O' prophet. I have need of you I have mended your bones and revived your heart. Come out O' prophet. I have saddled your feet and restored your vision. Come out O' prophet.

I have reset your forehead and fine-tuned your ears. Come out my prophet. I have quenched your thirst and filled your hunger. I have restored you and now I call you anew. Come out my prophet. I have need of you.

I am sending you where you have not been to a people you know not. Speak my prophet. I send you now to a strange people. I the Lord am doing a new thing in strange places.

Go. I send you where others have not dared to go -- to a place that is perched with barrenness. My word will bring fresh rain.

Come out My prophet. I have a new place for you.

I have removed the stones from the path.  
I have made the way clear for My word.

Go my prophet, I send you and go with you.

Him that has an ear to hear, hear what the Spirit of Lord is saying.

Have you ever felt like there's a totally different "you" inside? This you is fearless. And tells you to risk it all and step out on faith. This you, believes in the impossible. This you, stays inspired. This you is not afraid of anything or anyone. This you dreams big and thinks big. This you, wants to do more, accomplish more and climb more.

This you, is waiting to break out and break loose. Soooo let it!

It's got to get darker in order for you to shine brighter.

Stop telling people church is a hospital. This statement is neither biblical nor true. People check into hospitals when they are sick and check out when they feel better. It's the reason why Christianity has become a revolving door.

People are going into a hospital with "self" on their minds. It's the reason why it's so hard to get people to get along in church. People are fussing over a seat, recognition and handouts. Hospitals are designed to be temporary. It's the reason why people jump from church to church because they are not treated right and got looked at the wrong way.

The Church is not a place we visit. It's an organic living entity. The Church is not a set of ideas or ideals. It is the present manifestation of Christ on the Earth. The Church is the living body of Jesus Christ. This is not a theological truth. It is a spiritual principle. Christ's "body" is not sick and doesn't need a hospital. It's the reason why church folk can live any old way with consciences seared.

It's time for truth.

The only distinction between the early Church and the "now" Church is that the early Church had apostolic authority in demonstration and power.

Today's Church has titles and no anointing, no evidence of transformation and the world mocks us instead of fear us. It's time to get to fundamentals and begin rooting out passiveness, compromise and falseness.

It's time for the Church triumphant. Only truth. Only the word.  
Only love. One God and Father of us all.

The prophetic word is full of the life of God. That which is inspired is God breathed. The authentic word of God is God inspired and should be honored and respected as such. Then, you will receive the fullness of that which the prophetic word contains. And, it is the content of the prophetic word that brings about the blessing of God into your life.
