

9-1-1 Unity in the Community Day

The Port of Houston estimates that nearly 17 million people live within a 300-mile radius of the Port of Houston and Texas City Port. The 17 million Texas citizens in this area need to be supplied with information geared at promoting preparation and protection for residents and businesses as it relates to bio-terrorism and nuclear fallout.

The ENIVA Corporation in collaboration with INTERNATIONAL DOLLAR WORKS has called for the organization and mobilization and promoting of participation by municipalities throughout the area to adopt and implement "Safety and Nuclear Preparedness" measures to be used in conjunction with emergency strategies already in place.

INTERNATIONAL DOLLAR WORKS is commemorating September 11, 2004, as 9-1-1 "Unity in the Community Day" and has introduced ENIVA Corporation, and the unveiling of information as it relates to personal safety and nuclear preparedness to the City of Houston and surrounding areas.

The City of Houston commends the organizers and participants of this worthwhile endeavor, and extends best wishes for continued success.

Therefore, I, Bill White, Mayor of the City of Houston, hereby proclaim September 11, 2004, as

9-1-1 Unity in the Community Day

in Houston, Texas

In Witness Whereof, I have hereunto set my hand and have caused the Official Seal of the City of Houston to be affixed this 9th day of September, 2004, A.D.

Bill White

Bill White
Mayor of the City of Houston
